ABSTRACT

This guide contains lists of microfilm sources for genealogical information that are in the holdings of the State Library of Louisiana. The following types of sources are listed: census and enumeration records, passenger lists, military and pension records, church records, state records, family records, land records, historical data from parishes, miscellaneous sources, newspapers, parish records, and other information sources including state and national archives. Lists provide the dates of the information contained within each source and the number of microfilm reels. A map of Louisiana showing the parishes and parish seats is included. (DB)

Baton Rouge, Louisiana

INTRODUCTION

The microfilm listed in this brochure may be borrowed through interlibrary loan. Certain exceptions are marked with an *. A charge of $2.50 per reel is made for sending microfilm out of state. There is a limit of 5 reels for all interlibrary loan requests.

Because of limited staff and the volume of requests for genealogical information, the Library cannot undertake detailed research. Names of professional researchers will be furnished upon request.
